
HexSys Youtube Video Plugin for Virtuemart

Product detail Page

Component Description :- Many Virtuemart shop owners wonder “How to embed / insert Youtube Videos on Virtuemart product detail page”. You just need to install the plugin like a normal Joomla plugin, enable it then you just need to create a virtuemart custom field and It's now ready for you to easily copy and paste Youtube embed link into the custom field to display it on Product Detail page without any extra effort.

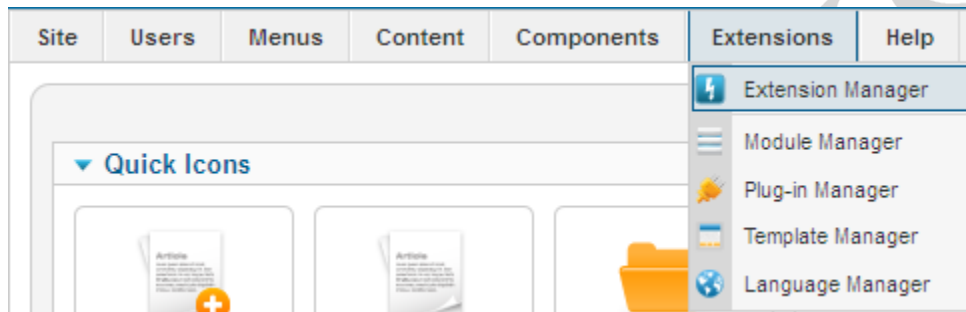

HexSys Youtube Videos for Virtuemart Plugin is a virtuemart custom field plugin that allows the shop owner to embed Youtube videos into Virtuemart product detail page using Virtuemart Product Custom Fields. You can simply add Youtube embed link inside textfield which are generated with this plugin, furthermore you can display the video at product detail page at Bottom/Top/Middle positions.

Features List :-

- Easy embed YouTube videos into product detail page.
- Simple and Flexible Youtube Video solution for Virtuemart Products.
- Lightweight.
- Works in all modern browsers.
- Just pasting a Youtube embed link in a custom field.
- Video size controlling option eg Height and Width.
- Option to control video full size screen.
- Very flexible to every change.
- Full documentation

- 3- Open product where you want to show this video. Click on Custom tab under product edit mode. Once you click on Youtube then videos fields open at bottom. Please put youtube url at video field with height and width.

The screenshot displays the Joomla! Administration interface for VirtueMart. The top navigation bar includes 'Administration' and the Joomla! logo. Below it, a secondary navigation bar shows 'Site', 'Users', 'Menus', 'Content', 'Components', 'Extensions', and 'Help'. On the right, visitor and admin statistics are shown: '0 Visitors', '1 Admin', and '0' for another metric, along with 'View Site' and 'Log out' links.

The main content area is titled 'Product [Edit] Demo1 (Hex01)'. It features a sidebar on the left with a 'Products' menu and a 'Tools' section. The sidebar lists: 'Product Categories', 'Products', 'Custom Fields', 'Inventory', 'Taxes & Calculation Rules', and 'Reviews & Ratings'. The 'Tools' section includes 'Orders & Shoppers', 'Manufacturers', 'Shop', 'Configuration', and 'Tools'. A green checkmark icon with the text 'You have the latest version 2.0.20b' is visible in the bottom left of the sidebar.

The main content area has a tabbed interface with the following tabs: 'Product Information', 'Product Description', 'Product Status', 'Product Dimensions and Weight', 'Product Images', and 'Custom Fields'. The 'Custom Fields' tab is active. It contains three sections: 'Related Categories', 'Related Products', and 'Custom Field Type:'. Each of the first two sections has a search bar and a 'Reset' button. The 'Custom Field Type:' section shows a dropdown menu with 'YOUTUBE' selected. Below the dropdown is a table with columns: 'Value', 'Price', 'Type', 'Cart Attribute', and 'Delete'. The table is currently empty.
